- 1) In August 13, 1999 I applied for service at (electric) 6134 S. Ashland Apt 1 Rear. I've been living there since 2. Down through the years Com Ed had sending me light bills for 749 w. 118th st. when I contacted a representative about this, I was told that in February of 1998 an account was open in my name. I disputed continuously that I was residing at Careka missionary Baptist church. proof was given. I have not heard from Com Ed about this for years until now. 3. and now Com Ed says I'm responsible for 2799.88 but I was not living at the address.

Please clearly state what you want the Commission to do in this case:

I want the Commission to dismiss my case. Allow me to pay current bill which is was at the \$200.00. Have Com Ed simply back to see who was responsible
